

/// SELECT IS SAFETY.

At Select Energy Services, safety is our #1 Core Value. We strive to create a world-class safety culture through smarter communication, extensive training, and continuous improvement. We have a comprehensive HSE Management System that provides the framework for operations to achieve top performance. We invest in tools that help us analyze data collected from the field and generate easy-to-understand reports that are used to make smart and proactive decisions. At Select Energy Services, we are fully committed to providing a safe working environment for our people and our customers, protecting the environment, and giving back to the communities where we live, work, and operate.
