

## /// SELECT IS SAFETY.

At Select Energy Services, safety is our #1 Core Value. We strive to create a world-class safety culture through smarter safety communication, extensive training, and continuous improvement. We have a comprehensive HSE Management System that provides the framework for operations to achieve top performance. We invest in tools that help us analyze data collected on the field and generate easy-to-understand reports that are used to make smart and proactive decisions every day. At Select Energy Services, we are fully committed to provide a safe working environment for our people and our customers, protect the environment, and to give back to the communities where we live, work, and operate.
